

## Brown Jug Bourbon Cream

34 proof/ 17% ABV

It started one summer, in an effort to avoid hauling cocktail ingredients back home. There was leftover bourbon, cream, ice cream, vanilla, and maple syrup. It was blended and instantly became a family favorite. It was too good not to share with the world! Brown Jug remains family-owned.

Our Bourbon Cream uses real dairy with a hint of maple. Blend it in a milkshake or add a little to your coffee.
